Executive Session

At 9:36 a.m., Mr. Salati moved, seconded by Ms. Lewis, to enter into executive session to discuss the Practice and Education Committee’s recommendations for Adoni Health Institute FKA Leads School of Technology in conjunction with the ongoing litigation.

At 10:14 a.m., executive session adjourned.

COMMITTEE REPORTS (continued)

Practice and Education Committee (continued)

Annual Reports (continued)

Adoni Health Institute FKA Leads School of Technology

Ms. Bastholm presented the Committee’s recommendations in regards to Adoni Health Institute’s annual report to the Board. The Committee recommended that the Board provide the school notice of the following deficiencies: 1) the low completion rate of 25%, 2) the NCLEX pass rate of 52.94%, 3) the unavailability of consumer information on the website, 4) the length of the program is unclear, 5) lack of national accreditation, and 6) discrepancies within the faculty data table regarding the qualifications of the current faculty. The committee recommended that the Board provide until June 1, 2018 to correct all but the NCLEX deficiency but require the school to provide an action plan as to how it intends to improve the NCLEX scores. The Committee recommends an interim report with evidence of completed corrections, and a list of students with those students enrollment dates, including how and why each student’s enrollment terminated, transcripts, and NCLEX information. If these deficiencies are not corrected and approved by June 1, 2018 the committee will recommend that the Board withdraw approval of the program.

Mr. Hare moved, seconded by Dr. Williams, to amend the Committee’s motion. Adoni will be provided notice of the deficiencies. Adoni must also provide the Board student lists and transcripts for the 53 students identified in the annual report, as well as an action plan that addresses each of the deficiencies in the annual report, by March 15, 2018. Adoni must present its action plan that addresses each deficiency at the April 11, 2018 meeting. The motion carried unanimously.

The Board observed a brief recess from 10:19 a.m. until 10:28 a.m.

PRESIDENT’S REPORT

NCSBN’s midyear meeting will be held March 4 – 7, 2018 in Chicago, Illinois. Mr. Mangler will be attending the meeting and Dr. Zickafoose requested that Board members contact Mr. Mangler if they are interested in attending the meeting. NCSBN’s APRN Roundtable will be held on April 10, 2018. Dr.

Zickafoose will be attending the Institute of Regulatory Excellence Conference that will be held January 23 – 25, 2018 in San Francisco.

EXECUTIVE DIRECTOR'S REPORT

Mr. Mangler advised the Board that he recently attended an eNLC Commission meeting to review the newly implemented Commission Rules and Regulations. During the meeting, Mr. Mangler raised an issue of concern regarding the licensure requirements of legal residents who reside in party states but practice solely on federal soil. Mr. Mangler reported that the issue was not resolved by the conclusion of the meeting. Some new party States will allow their licensees the option of holding a single state license. Other new party States are allowing licensees to continue to hold their single-state licenses until the time of their next renewal, at such time and providing that licensees meet the uniform licensure requirements, they will be issued a multi-state license. Florida statute requires licensees to specifically apply for a multi-state license and be charged an additional \$100.00 fee for that multi-state license.

Mr. Mangler reported that the search for an Executive Director continues. He has requested the Human Resources department to re-open the online position posting.

Licensure Issues

Request for Approval of LPN Refresher Course – Kirk Booker

The Board considered Kirk Booker's request to approve a LPN Refresher program. Mr. Booker located a refresher course offered by Mercer County Technical Schools, as well as a refresher course offered by Brookdale Community College. Dr. Zickafoose reviewed the course requirements from Mercer County Technical School, and found that they did not meet the of 40 hours of theory and 80 hours of clinical practice requirements set forth in the Rules and Regulations. Dr. Zickafoose requested that Mr. Booker provide proof that the course offered through Brookdale Community College contains a minimum of at least 40 hours in theory and 80 hours in clinical practice. Dr. Zickafoose suggested that Mr. Booker contact Innovative Academic Solutions, an online refresher program that the Board previously approved for him. Mr. Booker reported that he has been in contact with Innovative Academic Solutions, but he was unable to locate a clinical site in order to complete the requirements of the program.

Dr. Castaldo moved, seconded by Ms. Tyranski, to approve Brookdale, pending confirmation that Brookdale Community College meets the minimum number of hours required for refresher courses. The motion carried unanimously.

Request to Reduce Length of Disciplinary Period – Jennifer Begley

The Board reviewed Ms. Begley's request to reduce the length of her disciplinary period. On June 11, 2014, the Board issued an Order suspending Ms. Begley's suspension for one year, with such suspension stayed immediately for five years of probation contingent upon her compliance with certain conditions. During the period of probation, Ms. Begley was required to meet various conditions, including monitoring. Ms. Begley enrolled in the DPHMP in order to meet the requirements of the Order. Ms. Tyranski moved, seconded by Ms. Nellius, to approve Ms. Begley's request to reduce the length of her probationary period in light of Ms. Begley's record of compliance with the DPHMP, and the fact that her probation was longer than virtually all other disciplined nurses similarly situated. The motion carried unanimously.

LICENSEE APPROVAL

Mr. Salati moved, seconded by Ms. Nellius, to ratify the attached licensee list. Motion unanimously carried.

OTHER BUSINESS BEFORE THE BOARD

Discussion Regarding Continuing Education Audits

Mr. Mangler advised the Board that the Board office is in the midst of receiving audit materials for RNs. The Board previously accepted substance abuse hours that were completed after the renewal period, to be applied as "make-up" hours, so long as there were no other deficiencies in regard to the audit. Such individuals would be issued a letter of warning and would be administratively selected for audit during the next renewal. At Mr. Mangler's request the Board agreed to continue with the established process.
